ADMINISTRATION

OUR PILOTS

M. FORREST TOWRY, WHO HAD SERVED AS PRINCIPAL OF PUTNAM CITY SCHOOLS FOUR YEARS, WAS APPOINTED SUPERINTENDENT AFTER THE RESIGNATION OF JOHN E. HOLCUMB IN DECEMBER 1940.

MR. TOWRY'S CLOSE RELATIONSHIP WITH THE STUDENT BODY, THROUGH HIS BASKETBALL COACHING AND GUIDANCE IN HIS OFFICE AS PRINCIPAL, HAS ENDEARED HIM TO THE HEART OF EVERY STUDENT. THERE IS NOT ONE PERSON ENROLLED IN PUTNAM CITY HIGH SCHOOL WHOM HE CANNOT CALL BY NAME.

JOHN E. HOLCUMB, WHO WAS BEGINNING HIS FOURTH YEAR AS SUPERINTENDENT OF PUTNAM CITY SCHOOLS, RESIGNED IN DECEMBER 1940 TO TAKE A SIMILAR POSITION IN THE ELK CITY SCHOOLS.

MANY IMPROVEMENTS FOR OUR PUTNAM CITY SCHOOLS CAN BE ATTRIBUTED TO MR. HOLCUMB.

"SO? YOU'RE IN TROUBLE AGAIN."

That's the phrase that meets your ears when you are sent to the office by one of the teachers.

Mr. Terrill, of course, is the one that states the question. He is the principal of our high school and the former principal of the junior high. Other services he fulfills for our school are those of coaching our basketball boys, organizing the curriculum and supervising all discipline. He is the student's friend and adviser.

"WELL, LET'S SEE NOW, START AT LETTER J AND COUNT TIME."

It is certainly advisable to learn to count before you enroll in one of Mr. Burchardt's classes.

In addition to the highschool band, he instructs the junior highschool band and the beginners band, theory and appreciation of music, boy's glee club, boy's quartet, junior high girl's glee club and girl's sextet, Baton Twirlers, Solo Club, and brass and woodwind small ensembles.

"YOU ALL QUIT YOU TALK'EN, PLEASE."

"Now be careful not to get your plus and minus marks in the wrong place", says Miss Somers, who is the mathematics instructor at Putnam City. Miss Somers, a new teacher to the students of Putnam has proven that she can fulfill her duties.

Her slow southern drawl and smile has made geometry and algebra much easier for the boys and girls in her classes.

"NOT A TERM PAPER WITH FEWER THAN FIVE-THOUSAND WORDS!"

Mrs. Pearce is often regarded as "Our senior mother". She has guided the seniors through their last year in highschool. As senior sponsor she has directed the publication of the annual.

The National Honor Society is under her sponsorship. She acts as highschool librarian and teaches English literature psychology, and business English.

"COME SEE WHAT I HAVE FOUND!"

The girls are always eager to enroll in Mr. Bethel's class. Could it be because of his wavy blond hair and big blue eyes?

However, when they found that it was necessary to dissect worms, grasshoppers and slippery frogs they decided that biology was a little hard to take, especially before lunch.

"I HAVE GRADED SO MANY PAPER THAT I AM SEEING DOUBLE! JUST FIFTY MORE."

Miss Clark teaches sophomore English and finds it quite a task to grade the many papers turned into her.

Besides teaching English Miss Clark has a class in sociology and is a sponsor of the junior class.

"DID YOU HEAR THE ONE ABOUT COFFIN?"

The jokes of Mr. Mayfield keep the staff and journalism class in an uproar. As Sponsor of the Putnam News Review he keeps the "Jimmie Scoop's" using their noses for news. The cubs are always in a dither trying to make the deadline and put the paper to bed.

Resides these duties he is also principal of the junior high.

"THIS IS APPROXIMATELY THE REGION OF MY DOMICILE."

With such an immense vocabulary does Mr. Carson, our history instructor, express himself. His classes are a challenge to the students as they must consult their dictionaries as well as their texts to comprehend his lectures.

"YOU MUST NOT LOOK AT YOUR KEYBOARD!"

It is such a temptation to use the "hunt and peck" system but Mrs. Fleming insists that all students learn the "touch" system. When you enter her typing room it sounds like a million wood-peckers are at work because of the noise of the tapping keys.

Mrs. Fleming also teaches bookkeeping which causes many students to burn the mid-night oil.

"STUDENTS, HOW YOU KNOW THAT DOESN'T SAY S.UEELKY."

Que es la leccion de hoy? A line without which our Spanish teacher, Miss Specht couldn't get along.

She not only teaches first and second year Spanish, but coaches our girls gym class in basketball and volley ball. Among the numerous other duties are serving as sponsor the Pet-ettes and directing the P. A. A.

"WELL, BOYS, YOU CAN'T LEARN ANY YOUNGER"

Mr. Drennan has the job of hammering into the heads of every prospective young carpenter in Putnam the art of woodwork. Any hour of the day that you enter the shop you will find it a beehive of activity with all sorts of furniture in the making and Mr. Drennan the center of it all, giving each boy pointers on his particular project.

Mr. Drennan's classes also keep the broken furniture of the school in repair.

"GIRLS, YOU KNOW THE QUICKEST WAY TO A MAN'S HEART IS THROUGH HIS STOMACH."

Miss Cochran, who has recently come to Putnam City, is the Home Economics teacher. Here the girls learn to cook, sew, learn etiquette and home decoration.

This department suffered a terrible set back during the Christmas Holidays when the Junior High Building burned, destroying the equipment of the Home Economics Department. But despite this loss, Miss Cochran has managed to keep the girls busy and interested in their work.

"GO THROUGH THIS END"

Every morning during football season you will find the football boys in Coach Frost's room for a chalk talk. This practice is called "skull practice" in which the boys learn their plays and positions.

As athletic director Mr. Frost has complete charge of all athletic events for Putnam City High School.

"WATCH THAT MAN, HARMON!"

Here we see coach Terrill preparing to send a man into play. Few people realize the importance of the coach playing the game from the bench. It is from here that a game is strategically played by the coach just as a general, behind the lines, directs a battle.

"DOES IT HURT, PETE?"

The part played by Assistant Coach Peters in the training of Putnam's basketball squad is unknown to many students. He makes sure that no player injures himself by playing on a sprained ankle or some other such injury without its being correctly taped. Mr. Peters is also the head of the commercial department in which he teaches typing, bookkeeping, and shorthand.

"AVOID USING PENCIL TOO HEAVILY."

In her drama classes Mrs. Wear teaches the art of make-up, using students as models. The class watches her transform a youngster of sixteen to an old person of sixty years of age. All highschool plays are under her direction.

Mrs. Wear teaches junior English and speech besides sponsoring the junior class and the student council.

"SHADE HER SHOULDER TO COME FORWARD"

Students act as models for the art classes. Mrs. Thompson is shown giving her students some pointers on figure drawing in charcoal.

The art department has the responsibility of making posters for all events and has the supervising of the school fairs.

Mrs. Thompson serves as sponsor for the Four H Club and the junior class.

"SUSTAIN THAT SOFTLY"

"Now just hold that half note a little longer, students", says Mrs. Anna V. Grant East, who has charge of the Girls Glee Club and Mixed Chorus of the school. Mrs. East came to Putnam three years ago and has presented several operettas.

She has made the Putnam City students music conscious and has proven to them that you do not have to be a sissy to sing in an organization.

SALLI-TUTORIAN

Wardie Hiler was elected to receive the Pirate Award of the Senior Class. This award is given to the boy who is most popular among the students and has excelled in leadership and scholarship.

The Senior class elected three girls from their number who were outstanding in leadership, scholarship and character. The faculty elected one of these to receive the Daughters of American Award. Martha Ann Braniger was honored with this distinction.

STUDENT

COUNCIL

ORGINATION OF THE STLENT COUNCIL

The student council sponsors a forum each month where the students can voice their opinions, and make suggestions, concerning the school problems. These suggestions made by the student are then voted on by the student council. The ones which are constructive and beneficial to the school as a whole are then brought before Mr. Towry and Mr. Terrill and they may veto or pass them as they see fit.

At the end of each year a new president is elected for the following year, by the entire student body. The candidates must have a "B" average to hold this office. The members are elected two from each first hour class and must have a "B" average.

Mrs. Doris Wear organized the student council in Putnam City Highschool under its present constitution. As the sponsor of this organization Mrs. Wear has guided the students in learning student government and accepting the responsibility that is placed upon their shoulders.

At the beginning of the 1940-41 school year the Debate team was reorganized with Mr. Carson as sponsor.

During the year they have debated on the adopted state question, "Resolved that the power of the federal government should be increased". On this question they have developed several cases including "National Recreation Program", "Civil Academy", "Government control of Instalment Buying", "Government control of Medical facilities", "Government control of Labor Unions", and "Government control of 'call loan' money".

They have entered two large tournaments; the Classen tournament, where they debated against teams from all over the southwest and placed among the best sixteen teams; and the Fort Smith tournament, their first out of state trip, in which one team placed fifth and another ninth.

They have had much help in working on their cases from the Reverend Bob Nalor of the Putnam City Methodist Church.

When the new buildings were added to our school another room was added to the old library. New shelves were built, a convenient checking desk was installed, and new tables and chairs replaced the old desks.

The thirteen girls pictured above do not represent an unlucky number but a very lucky one to the students and teachers of Putnam City Highschool. They assist one and all to find readings for assignments and for pleasure. Students of Putnam are encouraged to seek the treasure hidden in the books of good literature. The hours spent searching for this buried treasure bring greater wealth than jewels and gold.

"No book is worth anything which is not worth much; nor is it serviceable, until it has been read, and reread, and loved and, loved again; ...

The Mixed Chorus started a big year with a swing operetta, "The Co-ed of Campusland."

Forty-four excited and happy students attended the All-State High School Choral Festival at Oklahoma A.&M., Stillwater, January 29, 30, and 31. The rehearsals and final concert were directed by Noble Cain, famous choral director of Chicago.

Another choral festival, at Kingfisher, combined the Central Conference and North Central Conference Schools, March 14. The Putnam City Mixed Chorus sang in the massed group, and for their special number sang "My Choice" by the director, Anna V. East. They were directed by George Sante, student director.

The County Festival this year, April 4, at the Municipal Auditorium, combined all the schools of the county in a massed concert of 500 voices. The five groups of songs were conducted by Lester Dunn, Bethany; Floyd Junifort, Harrah; Oscar Brown, Luther; Anna V. East, Putnam City; and Ralph E. Fayne, Edmond. Over a hundred students joined the Mixed Chorus in furnishing the group from Putnam City.

A final undertaking for the year is the State-District Contest at Oklahoma City University, April 11 and 12 and the National-Regional Contest at the University of Oklahoma, Norman, April 24th and 25th.
